Dr. Ronald G. Eaglin

President

Dr. Ronald G. Eaglin, an outspoken proponent of student success strategies in college administration, has served since July 1, 1992, as the 12th president of Morehead State University in Morehead, Ky.

A native of St. Louis, Mo., President Eaglin came to Kentucky from the chancellorship of Coastal Carolina University in Conway, S.C. Previously, he was vice chancellor for academic affairs at the University of South Carolina at

Spartanburg. Earlier, he was the southeast regional director of the American College Testing Program (ACT).

A former Chair of Kentucky's Conference of University Presidents, Dr. Eaglin holds a bachelor's degree in biology and mathematics from Southeast Missouri State University, a master's degree in student personnel administration from Southern Illinois University and a doctoral degree in education psychology from the University of Utah.

President Eaglin's expertise in student retention recently was highlighted in a research report he wrote for the American Association of State Colleges and University (AASCU) on the role of campus chief executives in helping students be successful in college. Dr. Eaglin was a member of the AASCU Board of Directors and had the distinction of representing two different institutions on the NCAA Presidents Commission. His consulting work in student personnel and academic matters has taken him in recent years to Cyprus, China and Ireland and to numerous campuses across this country.

President Eaglin is active in economic development matters in East Kentucky, serving presently by appointment of Gov. Paul Patton on the Kentucky Appalachian Commission and Education Pays Task Force. He is a member of the Board of Directors of the Morehead-Rowan County Chamber of Commerce and the Central Appalachian Alliance, a partnership of energy and land holding companies and universities in Kentucky, Virginia and West Virginia.

Dr. Eaglin and his wife, Bonnie, have four adult children and four grandchildren.

Dear Friends:

Morehead State University is committed to upholding the highest integrity within all procedures and practices of the athletic department. We are pleased to publish this note as a reference to understanding often confusing NCAA regulations.

The NCAA defines "representatives of athletic interests" as alumni, friends and boosters of the University. All member institutions are held accountable for their representatives' actions. One violation could jeopardize the eligibility of any or all Eagle Athletic programs.

As a general rule, anyone who has financially supported Eagle Athletics, been a member of any booster organization, or who has supported Eagle Athletics is considered a "representative" of Eagle Athletics. If anyone has questions regarding these types of relationships, please contact Brian Hutchinson, Director of Development & Marketing (606) 783-2593.

Prospective student-athletes can be defined as a student who has started classes in the ninth grade or any younger student-athlete who has received a benefit from the institution. These individuals may only be recruited by MSU coaches who have passed the *NCAA Recruiting Rules Examination*. While "representatives" of Eagle Athletics may speak to any of these individuals via telephone or in person, a recruiting effort must not be made. Also, no student-athlete or prospective student-athlete may receive any extra benefit outside of the support provided by the institution. For any questions regarding this description, please contact Jim Wells, Compliance and Educational Services Director (606) 783-5136.

These are certainly not all the regulations any "representative" of Eagle Athletics must remember. However, they provide a good outline of the types of things that could endanger the eligibility of any MSU Athletics program. Again, feel free to contact us if you have any questions. Thanks again for your support of Morehead State Athletics.

Sincerely,

Jim Wells

Compliance and Educational Services Director

Mike Mincey, Morehead State's Vice President for Student Life and a former Eagle athlete, assumed responsibility for supervision of the University's athletics program in June, 1993.

An MSU administrative staff member since 1975, Mincey was appointed interim vice president in 1986 and assumed the title of vice president and Dean of Students in 1990 following a national search. Since

joining the staff, Mincey has held a variety of posts including assistant to the vice president for academic affairs, grants coordinator and coordinator for academic support services.

In addition to the athletics program, Mincey also provides supervisory support to the areas of the Dean of Students, student activities, student development, financial aid and scholar-

ships, student housing, public safety, admissions and conference services.

A three-time graduate of the University, he earned a bachelor's degree and two master's degrees, one in higher education. The native of Waycross, Ga., has done advanced studies at Indiana University and is a member of the National Association of Student Personnel Administrators.

Prior to joining the MSU staff, he taught and coached in public schools in Flemingsburg, Ky., and Tifton, Ga.

Mincey earned four varsity letters (1965-68) as a member of the Eagle football squad. He was an all-stater at Ware County (Ga.) High School, and he was a member of MSU's last Ohio Valley Conference football championship squad in 1967.

His wife, the former Kathy Crusie of Lyndon, Ohio, is a two-time graduate of MSU and currently serves the University as an assistant professor of English. They have three children, Sarah, Jacob and Samuel.

- The athletics program will accommodate student's interests and abilities in a manner that is nondiscriminatory to both sexes and reasonable with the University's resources.
- The athletics program shall adhere to the University's Affirmative Action Plan promoting equal opportunity for all employees and students, as well as applicants for employment and student participation.

Kyle Macy

Kyle Macy, one of the Commonwealth of Kentucky's best known and most popular basketball figures, begins his third season as the Head Men's Basketball Coach at Morehead State University.

The 1998-99 Eagle squad, his second at MSU, was one of the most improved teams in the country, advancing to the semifinals of the Ohio Valley Conference tournament before losing to eventual NCAA representative Murray State.

In announcing Macy's appointment, MSU President Ronald G. Eaglin said: "We believe strongly that this outstanding young man is the right choice at the right time to restore the proud basketball tradition at our institution and to lead the Eagles back to the forefront of the Ohio Valley Conference. Kyle has a wealth of basketball playing experience and a broad knowledge of the game. We are confident that he will be successful as a Division I coach."

Macy, born in Kendalville, Ind., and a high school standout at Peru (Ind.) High School, was a two-time All-American at the University of Kentucky and played on the Wildcats' 1978 national championship team. He played three seasons at Kentucky after spending one season at Purdue.

Following his collegiate career, he spent seven seasons in the NBA, playing for the Phoenix Suns, Chicago Bulls and Indiana Pacers. In all seven of his NBA seasons, his team qualified for the playoffs. He also played three seasons in the Italian professional league.

From 1993 through 1997, he served as the color analyst for the University of Kentucky Radio Network's broadcasts of Wildcat basketball. He has also worked with Host Creative TV, Host Communications Radio, Raycom Television Sports, SportsChannel, Mutual Radio, ESPN, WVLK-Radio and Westwood One Radio.

From August, 1994, until his appointment as Eagle coach,

he was a Correspondent Banking Officer for Central Bank & Trust Company in Lexington.

Macy's annual basketball camp has been held for 19 years and approximately 1,000 youngsters and 125 coaches participate annually. He has also produced an instructional basketball video and published a high school basketball preview.

"I'm extremely excited to be the head basketball coach at Morehead State," Macy said. "Becoming a head coach on the Division I level was something I'd been looking forward to since I was four-years old and sitting on the bench beside my father.

"As our program develops, our team will play an exciting, up-tempo style that players like to be involved in and fans like to watch. In order to progress, we will need to continue to recruit. And, we will need fan support. We hope that every home game will be an event that people look forward to. I'm confident that we can accomplish this turnaround as we implement our system and ideas and with the help of the MSU family of students, alumni, faculty and staff and friends."

The 42-year old Macy and his wife, Tina, have two daughters, Mallory Beth and Meredith Anne, and a son, Malone.

Wayne Breeden, Assistant

Veteran college and high school coach Wayne Breeden begins his third season as assistant coach at Morehead State University.

Breeden joined the MSU staff after a successful tenure at Ashland Paul Blazer High School where he had a five-year record of 123-41. He led the Tomcats to the runner-up spot in the 1996 Kentucky State High School Tournament.

The native of Mt. Washington, Ky., began his coaching career as a graduate assistant under Joe B. Hall at the University of Kentucky. That season the Wildcats advanced to the NCAA Final Four. In addition to serving four years as an assistant at Kentucky, Breeden has been an assistant coach at George Mason and Eastern Kentucky. In addition

to working under Hall, he has also served as an assistant to Eddie Sutton, Rick Barnes and Mike Pollio. He spent two seasons as the head coach at Lindsey Wilson College.

An outstanding teacher of big men, Breeden has helped develop several NBA front line players. He has worked with Sam Bowie (Trailblazers, Nets, Lakers), Melvin Turpin (Cavaliers, Jazz, Bullets), Kenny Walker (Knicks, Bullets), Winston Bennett (Cavaliers, Heat) and Rob Lock (Clippers).

He has been on staff of several international teams, including the 1984 Olympic Team. Breeden has also worked at the Olympic Trials, World Championship Trials and Sports Festivals. He has conducted clinics in South America and Japan.

Brian Lane, a 32-year old native of Lexington, Ky., joined Kyle Macy's staff at Morehead State University in July, 1999.

Lane joined the Eagle basketball program after successful coaching stops at Florida Atlantic, North Carolina State, South Carolina UNC Charlotte and Transylvania.

"Brian is a proven coach from an outstanding coaching family,"

Macy said. "He brings with him experience, enthusiasm and excellent basketball knowledge."

Lane played collegiate basketball for his father, the legendary Don Lane, at Transylvania University in Lexington, Ky. The elder Lane is Transylvania's all-time winningest

coach with a 423-205 22-year record entering the 1999-2000 campaign.

At Transy, he earned four letters in both basketball and golf while earning a bachelor's degree in business management and physical education (1990). The popularity of ATVs has helped make High Energy Yamaha a successful business.

Located at 11399 Hwy. 519, West Liberty, the company opened its door on Feb. 2, 1997.

"ATVs had become very popular. We thought this would be a fast paced and fun business, and it is," said President Brenda Lyons.

She attributes the success of the business to hard work and determination.

"Only two and a half years after the business opened — High Energy Yamaha is the #1 Yamaha dealer in our district. This includes 61 stores, some of which have been in business as long as 30 years," said Lyons.

"We hope to keep growing and possibly to add other brands of ATVs and motorcycles to our dealership."

"Although our store is located in Morgan County — only one mile from the Rowan County line — I think Rowan County will continue to be a big part of High Energy Yamaha's success."

Laura L. Litter

Third-year Morehead State head coach Laura L. Litter is finally starting to see the light at the end of the tunnel. With a stronger talent base, the Lady Eagles are on the verge of turning their program around.

After two difficult years at her alma mater, Coach Litter's 1999-2000 Lady Eagles are poised to make strides within the conference. The two-time graduate of

Morehead State University, was hired on April 1, 1997, and proceeded to lead her team to a 7-19 record in her first campaign. Last winter the Lady Eagles collected a 5-21 mark. Those two years are the only non-winning seasons in her career.

With a career record of 448-125, Litter's teams have posted 16 seasons with 20 or more wins. In six years, her teams have won 30 or more games, while competing in the national tournament four times, including finishing third in the nation in 1993-94. She entered Morehead State with a career winning percentage of 84 percent.

Her most recent stop prior to MSU was as the eight-year mentor at Sullivan College in Lexington, Ky. There, she began the program and proceeded to notch a 30-2 record in the team's first season of play. By the time she left, she had compiled a 233-30 overall record at the school, won conference titles in each year and advanced to the National Junior College Athletic Association Region VII Tournament all eight times.

At Sullivan, Litter coached two NJCAA first-team and three second-team All-Americans, as well as three Kodak first-team All-Americans. In addition, her high-powered offense, generated an NJCAA scoring record in 1993-94, averaging 107.6 points per game, and were ranked as high as third nationally.

Her first head coaching venture was no different. Litter spent eight years pacing the sidelines of Lees College in Jack-

son, Ky., where she was responsible for taking over the reigns of a new program. The Lady Generals were in existence two years prior to her arrival. She subsequently tacked up a 203-55 record in eight years at the school.

At Lees, her squad won six conference titles and competed in the NJCAA Tournament eight times. She sent 25 athletes onward to play at Division I schools after they completed their careers at Lees.

Combined between her stops at the two schools, Litter earned 11 Kentucky Junior College Athletic Conference Coach of the Year honors and four NJCAA Region VII Coach of the Year awards in her 16-year reign. In addition, she was recognized by Lees College, which placed her in its Hall of Fame in 1995.

A highly-sought after prep product from Chillicothe, Ohio, Litter played the 1976-77 year at Morehead State, before succumbing to a career-ending injury. She remained as a graduate assistant coach at her alma mater under Mickey Wells, serving in that capacity through the 1980-81 campaign.

She earned a bachelor's degree in recreation and business administration in 1980 and a master's degree from MSU in education in 1981.

Reagan Rossi, Assistant

Reagan Rossi joins the staff this season as a graduate assistant coach, but is also taking over some of the responsibility of former assistant coach James Black. At MSU, Rossi will primarily work with on-court coaching, on-campus recruiting, team academics, the strength and conditioning program as well as other administrative duties.

Rossi spent the 1998-99 campaign as an assistant coach at nearby Georgetown College in Georgetown, Ky. The NAIA Division I Lady Tigers finished 13-13 last season under head coach Susan Johnson.

Prior to her one-year stint at Georgetown, Rossi served as an assistant at Albertson College, in Caldwell, Idaho. In her two years there, the Coyotes posted a 35-24 record—their first two campaigns ever. In her final season at Albertson, the Coyotes fell one game shy of earning a bid to

the NAIA National Championship tournament.

Her first coaching position came while serving on a mission in Skagway, Alaska. In her only year in the 50th state, Rossi worked as an assistant boys' coach at Skagway High School.

A four-year standout at St. Ambrose University, an NAIA Division I school in Davenport, Iowa, Rossi helped lead the Queen Bees to the national tournament in 1992 and 1994, both seasons advancing to the "Sweet 16". The Queen Bees also claimed conference crowns during Rossi's freshman and sophomore years. At St. Ambrose, she was a two-year starter at point guard and averaged 10 points and six assists per game as a senior, before earning her degree in 1994.

While attending Mukwonago High School, Rossi earned all-conference and all-area honors on the basketball court, while also lettering in tennis and softball. The Mukwonago, Wis., native now resides in West Liberty, Ky., with her husband, Rudy. She will be pursuing her master's degree in sports administration.

Corbett Grigsby, Associate Head Coach

Corbett Grigsby begins his third year as the Lady Eagles' associate head coach, but has worked with Coach Laura L. Litter for the past 18 years, first as the athletic director and Litter's recruiting coordinator at Lees College from 1978 to 1989. After his stint at Lees, Grigsby and Litter moved on to Sullivan College from 1989-1997, where Grigsby took on the same responsibilities he

held at Lees. At Morehead State, he will again direct the Lady Eagles' recruiting efforts, while also performing administrative duties.

Grigsby first entered into the coaching field in 1978 at Lees College. He served as athletic director when the women's basketball programs were begun at Lees and Sullivan, start-

ing the team at Lees two years before the Litter's arrival. During his stay at the two schools, Grigsby's teams compiled a 476-104 record.

In 18 years of coaching, Grigsby's squads have won 30 or more games six times and 20 or more 12 times. Ninety percent of the players he recruited at his two previous stops either graduated or transferred to a four-year school. Five of those athletes were also named as All-Americans.

Prior to his coaching career, Grigsby taught in the Breathitt County (Ky.) school system. He has earned two degrees, both at institutions he later returned to as a coach. The 1962 Morehead State graduate earned his bachelor's degree in social studies, after receiving an associate's from Lees College in 1960.

A native of Jackson, Ky., Grigsby is married to the former Ruby Stacy. The couple has two children, Stephen and Joy, and two young grandchildren, Cory and Rachael.
